

REVIEW CONFIRMATION CERTIFICATE

We are pleased to confirm that

Akmal El-Mazny

Has performed as Reviewer for the following Auctores journals since: 2022-2023

Journal of Clinical and Laboratory Research

Title: Thrombotic Thrombocytopenic Purpura as The Debut of Systemic Lupus Erythematosus

Auctores is a publisher of open access, international, academic journals. We rely on active researchers, highly qualified in their field to provide review reports and support the editorial process. Editors are eventually responsible for the quality of their journal's content. Auctores believes that editorial board member acts as a heart of the journal thus maintaining the standards and drive the journal to success.
